

## LOCAL DEPARTMENT.

The camp at Henderson, Ky., has been named "Dixon" in honor of Hon. Archibald Dixon, than whom no truer Union man lives.

Col. Croft has issued an order prohibiting the sale or giving of liquor to the soldiers of his regiment. This is a good move and should be everywhere imitated.

The Evansville Journal, of yesterday, says:

A member of the 31st Indiana Regiment, died Tuesday night, on O'Reilly's wharf boat. He was taken to the cemetery yesterday, escorted by the Evansville Rifles.

We regret the Journal does not give the name of the deceased.

Benefit Ball.—A Ball will be given at the Central Engine House, on Thursday evening, October 17, 1861, for the benefit of John Kelley, a disabled fireman.

Good music in attendance. Tickets reasonable, to "suit the times." For sale at the door. JOHN KELLEY.

The votes received by Messrs. Farington and Tuttle on Tuesday last, were cast by patriots, who have heretofore acted with the several parties. Duty to the country is above all parties, in the present crisis particularly. Too much credit cannot be given to those men, who came out and discharged their duty by the ballot. No peace with rebels in arms, can ever be made, except by the ballot, is the sentiment of the people.

Good for Buckner.—We have reliable private advices that Gen. Sherman having been largely reinforced, would advance to day in force upon Buckner's rebel army. That he will whip him, if he finds him, is not the slightest doubt. We look for most thrilling intelligence from Kentucky and from the Potomac to-morrow morning.

### Union Club Meeting.

Remember the Club Meeting at the Court House this evening. It is desired on the part of many Citizens that the meeting be devoted exclusively to making arrangements for organizing military companies throughout the county. We think the suggestion a good one, and hope to see a full attendance.

### Oysters!

Ralph Sprague, will, from now until the close of the season, be daily in the receipt of fresh OYSTERS of the best brands, which he will sell by the can or half can, at the lowest rates. He will also serve them up in any style as ordered, on short notice, at his Saloon, one door south of the Stewart House.

October 11, 1861.

There will be no deviation from the above rates.

Advertisements published in both Daily and Weekly, will be charged the full Daily rates for one half of the Weekly rates added.

Henry Quigley, a private in the 20th regiment, Col. Brown, writes to his father at Lafayette, a very interesting letter, dated at Hatteras Inlet, from which we extract the following:

We are on an island twenty miles south of Fort Hatteras. The island is forty miles long and eight wide. We are making breastworks, working at night and day. We are going to take a secession battery of twenty-four guns. Gen. Wood has sent a fleet to attack it on the water, while we attack it by land. Fish, oysters, grapes, &c., abound on the island so plentifully that we do not eat our camp rations. Our boys got very sick on the voyage. On approaching the island we encountered a very stiff gale, and had to land our men and baggage in surf boats.

The Governor has authorized the organization of the 56th regiment, of which James R. Robinson, of North Vernon, Jennings, county, has been appointed the Quartermaster.

The Governor has appointed John Pritchard, of Centerville, Surgeon, and John W. Grubbs, of Richmond, both of Wayne county, Quartermaster, of the 57th regiment, which has been authorized to be organized.

Dr. Richard Owen, Lieutenant Colonel of the 10th regiment, Col. Wagner, is now at Indianapolis on a furlough. Lieut. Col. Owen has accepted the offer of the Governor to recruit a regiment, of which he has been appointed Colonel. It will be the 58th. Col. Owen is a graduate of West Point, has been an instructor in Military Institutes, and is a brave and accomplished officer.

Lieut. Colonel Prather, of the 6th regiment, broke up camp at Madison on Wednesday, and proceeded with his command to Camp Morton to join his regiment in Kentucky, of which Crittenden is the Colonel. The 6th is now full, and occupies the vanguard of the Federal army in Gen. Sherman's Division.

The 30th regiment, Colonel Ross, left Indianapolis on Monday, by the Jeffersonville Railroad, for Louisville. They left about 6 o'clock p. m. It required twenty cars to move the regiment, horses, equipments, &c.

The Indianapolis Journal, of yesterday, says: The 39th regiment, Col. Miller, preceded by H. Lathrop's splendid band, passed down Pennsylvania street at about 10 o'clock last evening to take the cars for Louisville. They probably got under way about midnight. The 29th and 30th regiments left here only partially armed, the two flanking companies being armed with Minie rifles. They are to obtain the remainder of their guns at Louisville. The band is to be furnished with new instruments, when they will be able to furnish music of the very first order.

The 11th regiment, now encamped at Paducah, is supplied with a new style of stoves, manufactured by Messrs. Munson & Johnson, of Indianapolis. Each stove is supplied with two boilers and will be doing for fifty men. The 11th regiment boys intend to "live at home" while in camp, wherever that may be.
